“ The Transport Awards highlight some of the excellent work that is taking place within the courier and haulage sectors between our Exchange members. With more than 500,000 loads traded via our freight platform over the past year, this represents a significant community of like-minded organisations that are working together to achieve ongoing success. I would like to congratulate the winners of this year’s awards and thank everyone that has contributed to such an excellent event ”

Lyaal Cresswell, Managing Director of Transport Exchange Group
